KEATING'S INSECT POWDER
Bees, Flies, Moths, Beetles, and all other
Insects are Destroyed by KEATING'S Insect
POWDER, which is quite harmless to Domestic
Animals. In exterminating Beetles the use of
this Powder is extraordinary, and no one can be
troubled by these pests. It is perfectly dead-
ly in application, and does not leave any other
"KEATING'S POWDER," as imitations are
nowhere, and fail in giving satisfaction. So
buy all Chemistry, in Small Bottles. (438 788)
